

Round Rock Police Calls for Apache Oaks Subdivision, June 2011 - November 2011

Notes:

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the Police Department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured.
2. All major crime categories are included in the analysis. Thus, if a category does not appear, the subdivision produced no calls in that category.
3. All traffic stops and animal-related calls have been screened from this analysis.
